VISION

Waitaria Bay School has a learning culture that challenges its students to be successful learners through the development of individual programs, e-learning, and practical tasks. The children will strive for personal excellence. Waitaria Bay School develops positive relations with home, school, and community. Our students will become global citizens ready for future challenges.

Good Morning, Morena, and Kia Ora,

The children have participated in the Pelorus Cluster Speech competition and we are proud to say that Loki won the principals award with his speech on "The Person I most Admire". Should you wish to hear any of these speeches please do not hesitate to come to our Assembly on Tuesday 26th September @ 1.30p.m. in the junior classroom.

The children have created graphic novels on the myth **Te Wheke**, these look absolutely fantastic the children really enjoyed writing in a different genre and it is evident in the work they have produced.

As we head into the last couple of weeks of the term I wish to thank all of the staff for their on-going hard work. Without everyone staff, volunteers, teachers our wee school wouldn't be as fabulous as it is.

Can I please remind everyone that the library is a community library, and it is a shared responsibility to look after it. If you borrow books from the children's side/school library can you PLEASE put them back in the right place, i.e. where you got them from, we do not have paid staff to look after the library. If you borrow books from the adult side pop the card back in and pop the book in the box at the adult end. If you are dropping off books for the community library can you put them down the adult end, so that they are not blocking the door way or inhibiting the children to access their section of the library.

Calendars: Thank you for the photos, the judges have been hard at work and Agi will be in touch. We will be sending this away to the printers this week and the order forms will go out with the first newsletter after the school holidays.

Phone List: We are going to update the phone list once again, if you have or know of any new people/numbers/deletions/additions/ etc please can you email agi@waitariabay.school.nz
The closing date for these alterations will be the 17th of October, so that we have the new list ready to go out with the first newsletter after the term, a paper copy is free, if you wish to have yours on colour paper and laminated it will be \$2.00. Let us know if you wish to have this.

We have had a couple of exciting visits over the last two weeks, we have had the Police Education Officer visit to introduce himself and discuss his role around teaching children about safety in many aspects. And yesterday we had three police officers visit as part of a community visit. They were Spencer Kingi and Nigel Young from Havelock and Richard van Asch from Picton. These Gentlemen talked to the children about their roles and the children shared some science and writing work with them.

I hope everyone enjoys the school holidays, particularly if you are spending time with your family, visiting or staying.

Take care Ka Kite ano. Kind Regards Brenda, Deb, Mary, Agi, Julie, Students and all of our school volunteers

It's Pet Day time again at Waitaria Bay School!

Date: Friday, 3rd November, 2017

TIMETABLE:

10am-noon - Pet Day – Hall exhibits – Pet Parade – Dog agility competition (open to whole community).

Noon - Pets and children home

4pm-6pm Market Day – Stalls

6pm onwards - BBQ – Beer and @ school

At Dark - Bonfire and fireworks in honour of Guy Fawkes Day

Market Day - Once again we would love to invite people to come along and sell their wares, crafts, art and stuff. Stalls will be \$20.00 (cheaper this year)!!! and we will supply the trestles if needed. Please email the school office office@waitariabay.school.nz no later than Friday 27th of October to book a stall.

Dog Agility – We would love to hold the dog agility course again this year, but need someone to run it for us, this would include setting up the course and running it on the day. If anyone is interested please let me know ASAP!!!

29 th	Last day of Term 3		

Missing Cat!

Hello, My name is Percy Pussycat Neal and I was travelling from Crail Bay to Koromiko on the evening of Friday 15th September and I have escaped from my cage (probably in the Kenepuru). My Mum is very worried about me, so if you see me, please give Gillian Neal a call on 021-2684503, that would be much appreciated.
